CONTENT ANALYSIS

Check your content

01 / ANALYZE

Paste a draft to review it against sample brand rules.

CONTENT DRAFT

it contains 25 g of protien and it is very cheap

✦ Your content is checked against configured rules.

Analyze content →

ANALYSIS REPORT

Review findings

Review each finding before deciding whether to publish.

Review recommended

⚠ **Brand tone: 'cheap'** Medium

This wording may sound unprofessional.

Suggested action

Consider replacing 'cheap' with 'affordable'.

Missing approved term: 'quality' Low

The sample brand guidelines recommend using this term.

Suggested action

Include 'quality' naturally if relevant.

SUGGESTED DRAFT

Review your improved content

This automated draft may need further editing.

it contains 25 g of protien and it is very affordable

Copy suggested draft

Human approval required

This prototype does not approve or publish content. A reviewer should verify all claims and suggestions.

Protect your brand

Review content against your brand rules before publishing.
